of the

REPRESENTATIVE ASSEMBLY.

Selection of Subjects.

5) The suggestion that subjects for the Second Session might be selected at a meeting of the District Conference to be held at any time between January and March does not appear to be quite suitable. Under Rule 17 Government Order No. 10156 dated the 22nd March 1915, none but members of the Representative Assembly have a right to take part in the final selection of subjects to be sent up to Government. Most of the members of a District Conference may not be members of the Representative Assembly and consequently they cannot be allowed any voice in the selection of such subjects. To do so would be to curtail in a way the privileges of the members of the Representative Assembly. Besides, it would be difficult to avoid delay in selection of subjects if a larger body like the District Conference has to exercise the choice.

Hay(2)

Supplemental Subjects for the Second Session.

6) 2. Seeing that there will hereafter be two sessions of the Assembly every

lyn. 362-16

every year, the need for permitting Supplemental Subjects is not apparent. Further the sitting is expected to last only four days; under the rules the Supplemental Subjects can be handed in on the 2nd day. There will hardly be time afterwards to edit the subjects and get them printed before the last day of the session.

Time for submission of Subjects to Government.

7) If time for the final selection of subjects is allowed till 31st March, it will be difficult then to tabulate them and get them printed before the first day of the Assembly. It will not be possible to get the opinions of the Heads of Departments. Under the exist-ing rules the interval between the date fixed for the receipt of Subjects from the Districts and the date fixed for the receipt of the opinions of the Heads of Departments is seven weeks and this has been found in practice to be insufficient. The interval under the proposed rules would be only about — three weeks, for the last date for the selection of subjects is 31st March 1917 and the opening day of the Assembly is 28rd April 1917.

9) Mg we settled at the weekly council on 9/11/16 y. the Dewan approves Dncy

8) In the light of these remarks, a revised draft Government Order and a revised draft Calendar are submitted for favour of consideration and very early orders.

	10) The selection of new subjects may be made at a meeting of members of the Representative Assembly as suggested by the Secretary. But it should be ruled that this meeting should come after the holding of the District Conference in each district (where such conferences are held) when the major and minor wants of the district will be discussed. Orders about district conferences must issue soon.
	11) I do not think there can be any objection to allow the members to send up supplemental subjects.
	12) The time allowed in the Calendar seems to be too long and may be curtailed as shown in pencil on the margin.
